SUBJECT: Fiscal Year 2024 Amended Shelter and Services Program – Allocated Round 2 (Reserve Funding)

Today, the Department of Homeland Security (DHS), through the Federal Emergency Management Agency (FEMA) and U.S. Customs and Border Protection (CBP), announced the availability of the Round 2 (Reserve Funding) for the Fiscal Year (FY) 2024 Shelter and Services Program – Allocated (SSP-A).

FY 2024 SSP-A provides \$300 million in federal awards to support the safe, orderly and humane release of noncitizen migrants from short-term holding facilities. FEMA allocated a total of \$275 million in Round 1 of SSP-A funding. The \$25 million set aside for SSP-A Round 2 funding and the unclaimed funds from Round 1 make \$40,874,482.14 available for the SSP-A Round 2 funding. The amended SSP-A Notice of Funding Opportunity (NOFO) may be found online at <https://www.fema.gov/grants> and at <https://www.grants.gov>.

The applicants identified in the Round 2 allocation table in Section B.1 Available Funding of the Amended SSP-A NOFO are the only entities eligible to submit SSP-A Round 2 funding applications, including those applications submitted with eligible subapplicants.

Funding allowability requirements are the same as listed in the original FY 2024 SSP-A NOFO. Below are some examples of eligible primary and secondary services.

Primary Services

- Shelter (e.g., cots, beds, linens, shelter utilities, maintenance, housekeeping)
- Food (e.g., food items, food banks, contracted meals, storage containers, cookware, utensils)

- Transportation (e.g., transportation from DHS facility to shelter, service provider to service provider transportation, and transportation onward to a final destination)
- Acute Medical Care (e.g., basic first aid care and supplies, health screenings, over-the-counter medication)
